## HUD to restore \$800,000 in federal grants to Houston

Chronicle Washington Bureau

WASHINGTON — Rep. Mickey Leland, D-Houston, has been told that the Department of Housing and Urban Development will restore to the city of Houston more than \$800,000 in grants that had been withdrawn.

Leland said he was told Tuesday by Robert C. Embry, assistant secretary of HUD, that the money for Community Development, which was withdrawn because the department believed the city had not used it in a timely way, would be made available soon.

HUD had announced it was withdrawing the funds in July.
